

Well hello to our friends and goodbye to 2007!

What a year this has been for our family. We had our first daughter Callie on April 5th, and she is the light of our lives and such fun. We celebrated our first Anniversary and made the big move from Juneau to Eagle River. Peter began a new job at Reid Middleton, an engineering firm in Anchorage. We found a WONDERFUL new church family at Church in the Wildwood. So many things have changed and yet God's love for us and provision in our lives has remained steadfast as always.

We are so very blessed and it has been an amazing year for us indeed. Very busy, it seems we hardly have a moment to catch our breath, and Callie is changing daily, but each new morning brings such hope and joy, and so many wonderful possibilities and opportunities for us. She is nearly talking, and army crawling her way around the house. Still toothless, but the bald spot is filling in! We're still getting the new house just the way we like it but it is coming along - we could not ask for a better neighborhood to live in.

We have one wonderful thing to look forward to in the new year - a new baby! We have had so much fun with Callie we decided a duplicate was in order, and so her new brother or sister will be entering the world around July 22, 2008. Prayers for an easy birth and transition for Callie would be much appreciated.

Looking back on this year we have been blessed so abundantly, and have so much more to be grateful for in the coming year. Thank you all for your love and prayers, and standing beside our family. We love and miss every one of you, and look forward to hearing from you as life permits!

With all our thanks and affection,  
Peter, Taryl, Callie and our newest surprise!
